**SUBJECT: SOUTH CENTRAL SERVICE CENTER TO OPEN**

Recently, your Board was provided an update on the Housing Authority's two Section 8 Service Centers currently operating in the unincorporated area of East Los Angeles at 4800 Cesar Chavez Avenue, and in the City of West Hollywood at 7377 Santa Monica Boulevard. Client services provided at the Service Centers include disseminating information on the Housing Choice Voucher Program, and receiving and providing program documents and forms to program clients.

As you may recall, a component of the relocation of the Section 8 Program staff from the Cesar Chavez Avenue office in East Los Angeles, to its current location on Telegraph Road in the City of Santa Fe Springs, was the establishment of Section 8 Service Centers in specified communities, of which two are mentioned above.

Our third and final Service Center, expected to open this summer, will be located at 12721 South Central Avenue, in the unincorporated area of Los Angeles County. We will provide you with more detailed information as the time approaches.

Please contact me if you need further information.
